Gold Pen Manufactory at Louis-

ville. R. C. Hill & Co., are perhaps the
largest gold pen manufacturers in the South-
ern States. While in that city we were pre-
sented with one of their best gold pens, and
after a trial of four weeks, pronounce it the
best pen we have ever used. They can send
any pen by mail or otherwise, and parties who
send pens repaired, only have to send them
mail, with directions, and they may rely
on prompt return and at low prices.

The Picayune says, in reference to

the shooting of Mr. Wear, in our counting
house, by the Federal soldier, Gallagher:
"He was tried by a military court; but
he was defending a negro from the
attack of the Federal soldier."

The "truth of history" in this case

is well established, we would state that the
soldier was tried by a civil court, and is now
in the Penitentiary for the offense.

The Paper and Iron Warehouse

Messrs. Tappan & Co., Vicksburg, has
long and favorably known to the peo-
ple of this State. We have been purchasing
from this house for many years, and
always been pleased with the prompt-
ness and favorable terms in which our orders
have been filled. They have now on hand a
very fine stock of paper, and printers' ma-
terials generally; also, iron, steel, nails,
saws, blacksmith's tools, etc., which they
are prepared to sell at very low prices.

Lee Richardson & Co.

The card
of this well known Vicksburg house will be
re-inserted in our columns to-day.
A description of hardware, china and
household goods, can be obtained at this
house on hard-terms principles—cheap for
cash. All orders sent them by mail will be
promptly and promptly filled.

The Circuit Court for this district

will sit on Thursday morning, after a long and
serious session of four weeks ad-
journed on Thursday evening. Much in-
teresting business was transacted, and many
judicial cases which have lately been in
docket were disposed of; and quite a
number of boarders found quarters in the
penitentiary by license of His Honor. Du-
ring the term, Capt. Henry A. Martin, Capt.
James Barksdale, Geo. A. Smythe Esq., and
Messrs. Barrows, Esq., having been examined
and sworn in as attorneys and counsel-
ors of the Courts in this State. Judge
Watts hears his arduous and trying labor
with extreme patience.

SPECIAL NOTICES.

A Card to Sensible People.

Rational reader, if the aspect of the weather
was uncertain, you would not be foolish
enough to venture out without an overcoat or
an umbrella. Have the forecast, then, to
protect yourself at this dangerous season with
something more important than either of these
articles. Strengthen your stomach and ner-
vous system, regulate your liver and your
bowels, tone all your organs and cheer your
animal spirits with that agreeable cordial, tonic
and alterative HOSSETT'S STOMACH
BITTERS. So shall you surely escape the
diseases which fasten upon the feeble and de-
bilitated. "Suffer and be strong," says the
proverb; but "Be strong that you may not
suffer" is the wiser maxim,—and of all
strengthening preparations this is the safest,
the surest, the most genial. As a remedy, as
well as a preventive against cholera, dysen-
tery, and liver disease, there is no combina-
tion of vegetable specifics at present known
which even approaches it in efficacy.

ANTICIPATE THE ENEMY.

The elements of innumerable diseases are afloat in this
raw, damp, mephitic winter air. Will you
defend yourself against them or not, good
reader? That is the question. A bottle or
two of the great DEFENSIVE MEDICINE OF
THE AGE, HOSSETT'S BITTERS, will so
strengthen and brace up your bodily powers
as to enable them to "laugh a scold to
scorn." The morbid matter which was ex-
haled in perspiration through your pores in
summer finds no such free egress now. A
powerful counteracting agent is therefore
needed, and you have it in HOSSETT'S
BITTERS. They neutralize the malarious
morbi from which all diseases originate, and
regulate all the secretory organs. Nothing
can be more harmless or more healthful—
nothing so potent to cure biliousness, dysen-
tery, fever and ague, constipation and general
debility, as this wonderful corrective.

Extract of a Letter From

PROVIDENCE, R. I., May 13, 1866.
DR. JOHN BULL: I send you \$20 for CEDRON
BITTERS; please send what it will come to af-
ter paying freight to Columbus Miss. I have
been troubled for several years with indiges-
tion; have had to take pills every night for ten
or fifteen years, and in February last was at-
tacked with general paralysis. I was confined
to my room the balance of the year; and, in
fact, continued in a very weak and ner-
vous condition until some two months since,
when I was put under an operation, and your
CEDRON BITTERS for treatment. I com-
menced improving right away, and am pretty well
restored.

Yours truly,
A. L. NEAL.

LOUISVILLE, KY., Nov. 25, 1865.
I received this day the following, from Lan-
caster, Kentucky:

DR. JOHN BULL: Please send me in haste,
for my own use, ONE DOZEN of your CEDRON
BITTERS. Have tried them, and find them
all you claim for them.

Yours respectfully,
G. W. SHINDLEBOWS.

Another Testimony.

BLOOMINGTON, ILL., Oct. 14, 1864.
DR. JOHN BULL: We made an arrangement
with your agent, July 20, 1864, for selling your
CEDRON BITTERS, and are now doing so. We
want one gross twelve boxes more, without
delay. We are introducing them readily, and
think they answer a good purpose.

Yours truly,

WHAT IS TARRANT'S EFFERVESCENT SELTZER
WATER, and what are its effects? These
are questions which the great American pub-
lic has a right to ask and it has also a right to
expect a candid and satisfactory reply. The
preparation is a mild and gentle saline, a
cathartic, alterative and tonic and is most
carefully prepared in the form of a snow white
powder, containing all the wonderful medicinal
properties of the famous Seltzer Springs of
Germany.

Of its effects, we would say that those who
have tested the preparation will find it the best
and they declare over their own signatures, that
the preparation will promptly relieve indiges-
tion, regulate the bowels, cure the headache,
every species of headache. Tranquillize the
nervous system, Refresh and invigorate the
weak, Mitigate the pangs of Rheumatism,
Neutralize acid in the stomach. Cleanse and
tone the bowels. Assist the failing appetite.—
Cure the heart-burn.

Persons who suffer give this remedy one
trial, and it will convince you of the above
facts.

We wish to call the especial atten-
tion of our readers to the advertisement in
another column of the enterprising firm of
James Riddle & Co., of Louisville, Ky. We
do not wish to intend to recommend all the
patent medicines that come along, "an
anted to cure all the ills that flesh is heir
to," but when, as in this case, the patent
medicine is of long experience in the prac-
tice of the healing art, men of standing in
the community in which they live, and when
the medicines themselves have stood the
test of a quarter of a century, (as is the case at
least with some of these,) and more especial-
ly when they do not claim to do too much, we
cannot see why they might not be taken in
confidence, with at least as much confi-
dence as the prescription of a regular physi-
cian.

TESTIMONIALS.

The Horace Waters Pianos are known as
among the very best.—N. Y. Eccegenial.

We can speak of the merits of the Horace
Waters Pianos from personal knowledge as
being of the best quality.—Christian Intellig-
encer.

The Horace Waters Pianos are built of
the best and most thoroughly seasoned ma-
terial.—Advocate and Journal.

Our friends will find at Mr. Waters' store
the very best assortment of Music and Pi-
anos to be found in the United States.—Gra-
ham's Magazine.

MUSICAL DOINGS.—Since Mr. HORACE WA-
TERS gave up publishing sheet music, he has
devoted his whole capital and attention to the
manufacture and sale of pianos and melodeons.
He has just issued a catalogue of his new in-
struments, giving a new scale of prices, show-
ing a marked reduction from former rates.—
Many people of the present day who are at-
tracted if not contented, with the flaming ad-
vertisements of rival piano houses, probably
over-look a modest manufacturer like Mr.
WATERS; but we happen to know that his in-
struments earned him a good reputation long
before exhibitions and the "honors" connect-
ed therewith, were ever thought of; indeed we
have one of Mr. WATERS' piano fortes in our
own residence, (where it has stood for years,)
of which any manufacturer in the world might
well be proud. We have always been delight-
ed with it as a sweet toned and powerful in-
strument, and there is no doubt of its durabil-
ity; more than this, some of the best amateur
players in the city, as well as several celeb-
rated pianists, have performed on the said pi-
ano, and all pronounce it a superior and first class
instrument. Stronger endorsement we could
not give.
